# MBA 2006 SHOW COVERAGE

## BEST IN SHOW

Ibis is back! The Ibis Mojo Carbon gets 5.5 inches of rear wheel travel utilizing a DW-Link suspension. All links are forged and nickel plated with easy-to-service pivots and bearings. Ibis claims the

frame is 5.8 pounds and will sell for \$1899 with an RP3 Shock. This may be the most sought-after bike of 2006. The Ibis booth was jammed during the entire show. Call them at (866) 424-7635, and put your name on the list!
