FOX DHX2  
SPRING RATE CHART

## FOX DHX2

The spring rate recommendations found on this chart are a good starting point for other brands of coil shocks. Ultimately, it may take trying a few different spring rates to flush out what best suits your riding style and terrain.

### IBIS OSO RECOMMENDED COIL CHART

COIL RATE (LBS/IN)	155MM TRAVEL (205X60MM SHOCK)	170MM TRAVEL (205X65MM SHOCK)
